

cprlifesaver the cprlifesaver application fact-sheet

? What is the *cprlifesaver* website?

www.cprlifesaver.co.nz is an interactive website application designed to meet the information needs of those dealing with the financial and economic circumstances of all 67 NZ local territorial authorities (Councils).

? What is the *cprlifesaver* information?

- a vast store of financial and economic NZ territorial local authorities data and information
- organised into accessible interactive analysis and reporting
- reported on a Council comparative basis aimed at assisting Council performance improvement and
- developing relevant useful benchmarked Council financial and economic planning measures

? Who will benefit from the use the *cprlifesaver* application?

- Council CEO's and CFO's ... developing soundly based Council long term and annual financial plans
- suppliers to Councils ... designing their firm's NZ Council marketing plans
- stakeholder's organizations and groups ... from not for profit and community based interests ... to government departments-entities

? Why call our application ... "lifesaver?"

"Lifesaver" ... suggests an ability to save you ... your precious time-life space.

If you are searching for a base of relevant financial and economic information about NZ Councils, then you will totally appreciate the enormous task involved in searching for, assessing, analysing and reporting what you are seeking.

cprlifesaver does all this grind-graft ... for you ... "and at modest cost".

? Subscribe

Full code protected entry to all reports, tables and graphs of the *cprlifesaver* system - Version 2021 ... data includes five Council financial years - 2016 to 2020 ... upon payment of \$4,025 including GST.

? How to best evaluate the *cprlifesaver* application?

<https://cprlifesaver.co.nz/cprlifesaver-application/>

We have set up a complete *cprlifesaver* "Evaluation Package" for this purpose:

Try it ... you will like it.

We have recently added a web based **Report-Generator** utility and a **Dashboard** presentation:

Try them... you will love! them.
