

***cpirlifesaver* provides your Council's "Vital Stats"**

"What are the Council financial issues that always show up in the local media and at question time arising from ratepayers at public meetings?"

Think of the three most significant issues raised in public forums that your Council faces:

The three biggies ...

1. "Our rates .. are they too high? ..."
- *cpirlifesaver* sets the record straight..... Average Residential Rates.pdf ***
2. "We are spending too much on ... [insert any item of Council expenditure]"
- *cpirlifesaver* sets the record straight..... Expenditure Measures.pdf ***
3. "Our payroll costs are inflated ..."
- *cpirlifesaver* sets the record straight..... Payroll Study.pdf ***

-  What are *your* responses?
-  How does *your* Council compare with other similar Councils?
-  Where is this all heading?

If you would like a brief tutorial and demo on the use of our Report Generator *** (<https://cpirlifesaver.co.nz/cpirlifesaver-application/>) and to obtain a sample of your Council reports that address your three biggies (above), just contact Larry, Mb. 0274 792 328, Em. larry@kauriglen.co.nz.
