Announcement 1

We have found that busy Councils are daunted by the prospect of gaining familiarity with, and developing their own customised reports. To assist with your use of the ***cprlifesaver-application***, the section below, Special Offer, lists the selection of reports from which you may select some key ready-to-run Council ***cprlifesaver*** reports.

Your selections can be made from <https://cprlifesaver.co.nz/faq-info-and-extras/>. Please take the time to click on some, if not all of these purpose-built reports to gain a good perspective of our total offerings.

If there are any financial issues which are of particular interest to you, just call Larry, Mb. 0274 792 328, to see if we can help either with a specific-focused ready-to-run report and/or just some guidance.

Announcement 2

Our ***Report Generator***, <https://cprlifesaver.co.nz/cprlifesaver-application/>, (its title describes what it does) has now been ***significantly enhanced*** with a Council “*picking list*”.
